- Multiple User License (Global) €6600.00

Report description:

Tissue and hygiene in Qatar registered positive growth in 2023 as population growth and the affluence of the local population underpinned rising demand and the ongoing shift towards more sophisticated value-added products. While the low birth rate suppressed growth in nappies/diapers, increasing numbers of women in the expatriate workforce boosted demand across menstrual care and wipes, while growth in AFH sales via the horeca channel continued to be supported by buoyant inbound tourism.

Euromonitor International's Tissue and Hygiene in Qatar report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Away-from-Home Tissue and Hygiene, Retail Tissue and Hygiene, Rx/Reimbursement adult incontinence, Total Tissue and Hygiene.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Tissue and Hygiene market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.
