Report description:

Following strong growth during COVID-19, in 2023, appliances and electronics specialists in Romania registered a downward trend. For larger appliances, sales were sustained in 2023 as consumers applied for vouchers through a scrappage scheme, driving replacement sales. The Administration finances the program Rabla ("Scrap") for electrical appliances for the Environment Fund and offers discount vouchers for the purchase of new household appliances. The programme was launched in 2021 and continued...
