Report description:

Convenience stores represented the most dynamic category within grocery retailing in Belgium in 2023. While not known for being the cheapest channel, the return of consumers to their busy, pre-pandemic lifestyles provided a boost to sales. As such, small urban formats continued to gain ground, with their on-the-go locations offering workers and local residents a high level convenience. However, inflationary pressures, which resulted in higher prices, were a key contributor to growth in current v...
