- Multiple User License (Global) €2475.00

### **Report description:**

Globally, young adults are the key consumers of plant-based foods, and South Africa is no different. South Africa ranks in the top five countries that ordered the most vegan dishes according to UberEats, with vegan burgers reported as the most popular choice. Local demand for plant-based products increased tremendously towards the end of the review period, albeit from a low base. In 2022, several plant-based ready meals were launched, ranging from chickpea curries to crowd-pleasing Italian favou...

Euromonitor International's HW Cooking Ingredients and Meals in South Africa report tracks the developments of health-associated product types and the healthy-option positioning of competing brands across different food sectors. It provides the latest retail sales data 2018-2022, allowing you to compare health and wellness categories with each other or in the context of the total market for a sector. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, legislative context or lifestyle influences. Forecasts to 2027 illustrate how the market is set to change.
