Report description:

Chilled lunch kits are popular in France because they are convenient, healthy and affordable. They are also a good option for consumers who are on the go or who want to eat a healthy lunch at the office. Folding cartons are the only pack type used for the primary packaging of chilled lunch kits, with thin wall plastic containers as secondary packaging. Folding cartons are resealable, protective, stackable, inexpensive and eco-friendly. Major brands in France that use folding cartons for chilled...
