### **Report description:**

Retail adult incontinence in Bulgaria continued to witness robust growth in 2023, both in retail volume and current value terms, supported by the ageing population and growing urological problems. Rising demand was due mainly to an expansion of the consumer base for these products. Older people are generally more prone to problems in the urinary tract. Still, many diseases, like multiple sclerosis, diabetes, arthritis or Parkinson's disease, can also cause incontinence. The issue of stress incon...
