- Multiple User License (Global) €2475.00

Report description:

Rx/reimbursement adult incontinence in France continued its positive growth trend in 2023, in terms of both volume and current value sales, benefitting from the essential nature of the category's products. There was a small deceleration in the first year of the COVID-19 pandemic as consumers were more reluctant to go to the doctor, viewing surgeries or hospitals as a prime place to contract the virus. Nonetheless, the products are necessary and not readily substituted, ensuring continued growth...

Euromonitor International's Rx/Reimbursement adult incontinence in France report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues. Forecasts to 2028 illustrate how the market is set to change.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
