Report description:

Glass bottles recorded strong growth in sauces, dips and condiments in Argentina in 2022. Glass has been used for packaging sauces, dips and condiments for a long time in Argentina, helping to create a traditional perception of glass bottles as a premium and reliable packaging option, especially for food products. Glass packaging provides a clear view of the product inside, which can be visually appealing to consumers. The transparency allows them to see the texture and colour of the sauce, dip...
