Report description:

After the effects of the pandemic and subsequent restrictions started to ease in Saudi Arabia in 2021, retail unit volume sales of sauces, dips and condiments and associated packaging suffered as consumers spent less time cooking at home. However, in 2022, demand grew once more as several categories, such as tomato pastes and purees, are considered essentials in Saudi kitchens.

Euromonitor International's Sauces, Dips and Condiments Packaging in Saudi Arabia report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Cooking Ingredients and Condiments, Dips, Other Sauces and Condiments, Pickled Products, Sauces.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
