Report description:

Although sauces, dips and condiments are appreciated for the convenience they add to home cooking, volume sales in the category were flat in 2022 due to high price increases. Supply chain disruptions due to the Russia-Ukraine war and global economic uncertainties put pressure on consumers' incomes and constrained volume growth in the category. As a result, packaging unit volumes in sauces, dips and condiments were seeing stagnating sales in 2022.

Euromonitor International's Sauces, Dips and Condiments Packaging in United Kingdom report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Cooking Ingredients and Condiments, Dips, Other Sauces and Condiments, Pickled Products, Sauces.
