Report description:

In 2023, small local grocers recorded low growth in retail value sales. Double-digit inflation has changed the shopping habits of Poles. Consumers purchase less, save money, buy cheaper alternatives or limit their consumption. In 2023, sales of beer and spirits in small and medium-sized stores were lower than in previous years. At a time when inflation was at double-digit levels, discounters were heavily promoting price cuts which resulted in a decrease in the number of customers frequenting sma...
