Report description:

Chandaria Industries has introduced a new product to surface care in Kenya. The company's Velvex oven cleaner is intended to meet the growing consumer demand for specific solutions to home cleaning needs. With only a limited number of brands offering oven cleaners in the market, Chandaria Industries aims to bridge this gap and stand out from the crowd. The introduction of the Velvex oven cleaner is part of the player's strategic move to cater to consumers who seek effective, specialised cleaning...

Euromonitor International's Surface Care in Kenya market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
