Report description:

Value sales continued to be modest for vending in Turkey in 2023. There are a limited number of vending machines, mainly located in the underground stations in Istanbul and Ankara, with snacks and soft drinks being the most popular products sold through vending. With inflation still very high in 2023, there was a fall in constant value sales.

Euromonitor International's Vending in Turkey report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Product coverage: Appliances and Electronics Vending, Drinks and Tobacco Vending, Fashion Vending, Foods Vending, Health and Beauty Vending, Home Products Vending, Other Products Vending.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
