Report description:

In 2023, the wipes landscape saw increased penetration in Moroccan, leading to double-digit retail value growth, with consumers appreciating the convenience and hygiene offered by these products. While some wipes categories, such as general-purpose wipes, compete with pocket handkerchiefs and boxed facial tissues, others have no specific alternatives. The convenient packaging of wipes also meant the product could be used on-the-go, which was particularly attractive to busy urban dwellers. Despit...
