Report description:

Air care saw sales increase in both retail volume and current value terms in Hong Kong in 2023. Greater time spent at home during the pandemic drove demand for air care products to create a pleasant home environment, and by 2023 this habit had become entrenched amongst many consumers. Growth in demand was seen for the leading format, liquid air fresheners, as well as strong increases for spray/aerosol air fresheners and other air care, thanks to a wider range of new products from both establishe...
