Report description:

Away-from-home (AFH) tissue and hygiene in Taiwan saw buoyant growth in current value terms in 2023, continuing the trend of the previous year. This was due to the return of consumers to their familiar pre-pandemic lifestyles, including more frequent visits to restaurants, hotels, shopping malls and other public venues, which amplified the need for products such as toilet paper, paper towel and napkins in these settings. An increase in inbound travel for leisure and business purposes, following...
