- Multiple User License (Global) €2475.00

Report description:

In 2023, menstrual care in Lithuania demonstrated resilience, maintaining a stable performance despite challenges. Retail volumes remained consistent, reflecting the essential nature of sanitary protection products and their steady demand throughout the year. This stability was particularly notable amidst the backdrop of price inflation, which saw retail volume sales slowing as inflation soared across the country. Despite these economic pressures, demand for menstrual care products remained rela...

Euromonitor International's Menstrual Care in Lithuania report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
