- Multiple User License (Global) €3000.00

### **Report description:**

Personal accessories experienced remarkable current value growth in India in 2023, building on its recovery from the challenges of the pandemic period. With a notable resurgence in travel activities and a renewed focus on personal style, the industry exhibited significant double-digit growth in 2023. This resurgence can be attributed to several key factors, with travel emerging as a major driver. As travel restrictions eased and confidence in travel safety grew, consumers were eager to invest in...

Euromonitor International's Personal Accessories in India report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2019-2023), allowing you to identify the sectors driving growth.
