### **AVAILABLE LICENSES:**

- Single User Licence €825.00
- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

### **Report description:**

Polishes in South Africa recorded positive retail value growth in 2023, despite another fall in overall demand. The growth in value was attributable to the rapidly rising inflation rate. With higher unit prices of polishes, local consumers continued to shift away from these products as they sought to only buy essential items and reduce their usage of expensive home care options during the high inflationary period.

Euromonitor International's Polishes in South Africa market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Floor Polish, Furniture Polish, Metal Polish, Shoe Polish.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
