### **Report description:**

Retail volume growth of retail adult incontinence slowed in 2023 as consumers were confronted with higher priced adult incontinence products. Cost inflation rose throughout the year as the war in Ukraine put upward pressure on energy prices, raw material costs and logistics, among others. As a result, current value sales continued to register double-digit growth in 2023 over the previous year. Wider availability and improved product visibility in grocery retailers opened up more space for privat...
