Report description:

Kazakhstan has strong trade links with Russia and its war in Ukraine is negatively impacting the economy and leading to high inflation. Inflation continued to be very high in 2023, though it did ease at the end of the year due to monetary tightening. As such, tissue and hygiene registered a fall in constant value sales, as continuing high costs hit profitability. With consumer purchasing power also falling, consumers traded down and economy brands fared better. However, on the plus side, the dep...
