### **Report description:**

Dermatologicals is set to maintain a healthy growth trajectory in current value terms in Brazil in 2023, in line with the increase recorded in 2022, driven mainly by price rises. The pandemic years were marked by a reduction in Brazilians' purchasing power. The rises in the prices of essential consumer goods, such as food, constrained the income available for discretionary consumption. With trading down in some categories, and consumers abandoning others, producers of dermatologicals found it di...
