- Multiple User License (1 Site) €1650.00
- Multiple User License (Global) €2475.00

Report description:

Menstrual care in Tunisia registered both moderate constant value and volume growth in 2023, despite continuing inflation and a challenging economy. Continuing population growth supported increased volume sales, as did frequent discounting from the major brands such as Lilas and Nana. However, Procter & Gamble's Always offered the most generous discounts, such as 50% off a second packet of panty liners. It also offered bundles of both panty liners and towels.

Euromonitor International's Menstrual Care in Tunisia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Menstrual Care Including Intimate Wipes, Pantyliners, Tampons, Towels.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?
