### **Report description:**

Self-service cafeterias in Switzerland are making a strong recovery in 2023, as the category rebounds from the COVID-19 pandemic. There is growing demand from locals and tourists travelling on highways as travel and tourism flows steadily move back to normality. In addition, more people are back in the office and seeking lunch-time meals, which has improved footfall at self-service cafeterias during lunch time. The overall recovery of in-store retailing has also boosted sales in self-service caf...
