Report description:

The pandemic brought particular challenges to away-from-home tissue and hygiene in Germany as businesses, restaurants and hospitality sectors were forced to remain closed and limited in terms of operating over an extended period. A tentative revival did not emerge until the second half of 2022, following the reopening of restaurants and businesses and the return to travel - activities that were felt more predominantly the following year. Volumes of both away-from-home tissue and away-from-home h...
