- Multiple User License (Global) €2475.00

### **Report description:**

Laundry care experienced growth in both retail volume and current value terms in India in 2023, on account of factors such as greater consumer mobility and the stabilisation of prices. Increased mobility fuelled higher demand for laundry care products, as consumers returned to offices and schools and resumed their usual routines. This resurgence in activity resulted in individuals needing to wash their clothes more frequently. In addition, heightened awareness of hygiene, coupled with concerns a...

Euromonitor International's Laundry Care in India market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
