Report description:

Similar to other personal care staples, sales of products in the depilatories category were also impacted by the rising cost of living in 2023. According to Stats NZ, the cost of living for an average household in New Zealand increased by 7% over the 12 months up to September 2023, driven primarily by increases to interest payments and grocery food prices. The increase in living costs was felt acutely by consumers across all age groups who now find they are spending significantly more on everyda...
