Report description:

It was a subdued picture for beauty and personal care in Bolivia in 2023. While Bolivia has managed to protect itself to a large extent from inflation by continuing to have a fixed exchange rate against the dollar, there were challenges for the economy in 2023. Sharp falls in foreign currency reserves led to increased inflationary pressure slightly, particularly for imports, which comprise a significant portion of beauty and personal care products, and resulted in inflation being higher than 202...
