Report description:

Tooth whiteners outpaced growth in Slovakia's oral care category, in both retail volume and current value terms. Despite the rising prices seen in 2023, consumers did not lose interest in home whitening kits and whitening strips. The reason behind such stellar growth is the rather low cost of these products compared to professional whitening at the dentist or clinic, as well as the rapidly expanding offer at retailers and visibility on shelves. Many consumers find that home treatments are less e...

Euromonitor International's Oral Care in Slovakia report offers a comprehensive guide to the size and shape of the market at a national level.
