- Multiple User License (Global) €2475.00

Report description:

Premium beauty and personal care registered minimal constant value growth in Bolivia in 2023, as rising prices, brought on by a sharp fall in foreign currency reserves, led to increased prices particularly for imported brand. This also led to a degree of trading down, with consumers shifting to mass offerings. As such, mass beauty and personal care registered higher value growth.

Euromonitor International's Premium Beauty and Personal Care in Bolivia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. Forecasts to 2028 illustrate how the market is set to change.
