### **Report description:**

In 2023, bath and shower in Switzerland posted good retail current value growth. However, with only a slight increase in retail volume terms, retail current value growth owed most to inflationary pressure on the prices of products. Retail value growth was also supported by the ongoing significant trend towards organic products in bath and shower. At the end of the review period, more and more Swiss consumers showed an interest in products featuring gentle and more natural formulations, which usu...
