Report description:

There are far more cats than dogs in France and while the cat population decreased in 2023 it is expected to stabilise in 2024 and could even increase slightly. Local associations reported a drop in pet adoptions in 2023 whilst abandonments remained the same. This was linked in part to the end of the pandemic and consumers spending less time at home, and thus seeing less need for a pet companions. It was also linked to the financial pressures facing many French consumers as high inflation and sp...
