Report description:

Deodorants are widely used by the population in Dominican Republic, where it is considered a necessity regardless of income group. Despite the price increases in recent years, demand has proved resilient with retail volume sales continuing to rise in 2023. The category has a wide variety of brands and formats, many of them perceived as affordable by a large part of the population. Consumers are willing to pay a higher price, change format or switch to a cheaper brand, but would not stop using de...
