Report description:

Fragrances in Azerbaijan registered both healthy constant value and volume growth in 2023. Inflation eased, especially at the end of the year, and this supported volume sales. In addition, supply issues arising from the war in Ukraine were resolved and shelves were stocked again. Women's fragrances continued to account for most value sales and also registered higher volume growth, both for premium and mass. Also, regarding women's fragrances, there are much more product launches, as women like t...
