### **Report description:**

Home care products in Germany are widely available, with many considered everyday household essentials, thereby offering a traditionally stable market environment. However, 2023 continued to be defined by the effects of inflation and the cost-of-living crisis, which has been common across all major Western European markets since 2022. The ongoing impact of inflation continued to drive up the cost of everyday essentials such as home care, forcing local consumers to trade down or reduce their outg...
