Report description:

Pet care continues to see dynamic double-digit growth in value and volume terms in Saudi Arabia with it having become one of the most dynamic industries in the Kingdom. This dynamism is being driven by the huge investment made by major pet care companies in expanding the distribution of these products and in their marketing across all media channels. There is also a growing awareness of the benefits of owning pets and how the powerful human-pet bond can play an important role in overcoming many...

Euromonitor International's Pet Care in Saudi Arabia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
