Report description:

The cat litter category has evolved a lot over the years and continues to do so. Manufacturers and consumers of cat litter are increasingly favouring products with sustainable materials and options which provide greater comfort to cats. As seen in pet food, the pet humanisation trend is also starting to have a growing influence on the choice of cat litter with owners becoming increasingly demanding and are looking for quality products that are also practical and simple to use. The choice tends t...

Euromonitor International's Pet Products in Italy report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
