Report description:

Cat food in Argentina registered strong growth in retail volume terms in 2023, and further growth is expected in 2024, albeit at a lower rate due to a slowdown in cat adoptions as a result of the complex economic situation. Cat owners seem keen to feed their cats good quality and nutritious food to ensure they remain happy and healthy, and they are avoiding downtrading, whereas many dog owners are buying lower-quality dog food at a more affordable price. However, in the case of new cat adoptions...
