Report description:

Deodorants saw strong current value growth in Egypt in 2023. However, the category witnessed a small decrease in its volumes at the same time as its considerable increase in value, due to large increases in its prices. Indeed, prices increased by more than 40% in 2023 due to the devaluation of the Egyptian pound in December 2022 and the unstable economic situation, as inflation skyrocketed. The increased prices of imported raw materials and the increase in fuel prices led to a rise in production...
