Report description:

Depilatories in Costa Rica showed a markedly improved performance in volume terms in 2023, with overall sales increasing at a double-digit rate following marginal growth in 2022. This was partly explained by the strong recovery in consumer confidence and purchasing power that accompanied rapidly falling inflation. However, buoyant demand was also supported by the resumption of pre-pandemic routines, in that many women became inclined to use these products more frequently as they returned to the...

Euromonitor International's Depilatories in Costa Rica report offers a comprehensive guide to the size and shape of the market at a national level.
