Report description:

Men's grooming saw strong current value growth in Egypt in 2023, while volume sales fell slightly during the year. Growth was driven primarily by the fact that the prices of men's grooming products significantly increased. Reasons for these price rises included a big increase in the prices of imported raw materials due to the devaluation of the Egyptian pound. In addition, the increase in fuel prices affected transportation and production costs, with the rising cost of utilities such as electric...
