Report description:

The pet care market in Israel is expected to see growth in both volume and value terms in 2024. Pet organisations and shelters have made it clear that pet adoptions decreased significantly in the second half of 2022, with this continuing into 2023, while pet abandonment rose over the same period. Many people adopted pets during the COVID-19 pandemic when they were spending more time at home, and once people returned to work, and the cost of living continued to rise significantly, many locals fel...
