Report description:

Anti-agers continued to thrive in Malaysia in 2023, driving overall growth and development for skin care and leading growth within the category in both volume and current value terms. Anti-agers benefits from regular and frequent new and innovative product launches driven by robust and rising consumer demand. More and more Malaysians are focused on early preventative skin care routines, opting for products that promise to delay the visible signs of ageing. Anti-agers is expanding in mass and pre...

Euromonitor International's Skin Care in Malaysia report offers a comprehensive guide to the size and shape of the market at a national level.
