Report description:

Sun care in Slovenia had a favourable year in 2023 supported by warm weather for the majority of the summer and improvements in the tourism sector. Croatia remains a popular summer destination for Slovenians, but there has been a visible improvement in the tourism capacity on the Slovenian coast supporting domestic tourism. With travel restrictions removed and locals still mentally recovering from the COVID-19 pandemic, people were keen to hit the coast and spend more time in the sun. The boost...
