Report description:

Baby and child-specific products in Malaysia saw growth in 2023 propelled by the accelerating trend towards natural and clean products, as parents sought to avoid ingredients perceived to be potentially harmful to children's health. Examples of brands that are focusing on this area include Klorane Baby and dermocosmetics brands such as Aveeno Baby and derma365 Baby, all of which are becoming more popular. The category saw a rush of new launches with claims towards the end of the review period, e...
