Report description:

Dog food is expected to post positive growth in both volume and value terms in Switzerland 2024. Both wet dog food and dry dog food are set to expand strongly. Pet owners are increasingly adopting smaller dogs and, consequently, tending to buy more wet food than in the past. This is because many pet owners believe that smaller dogs find wet food easier to chew and digest. Dog treats and mixers is set to be the strongest performing category in dog food in 2024, however. This is in part because, w...
