### **Report description:**

Hair care in Denmark continued to witness positive current value growth in 2023, largely driven by inflation in 2023 with rising prices contributing to stagnant retail volume sales. Lower consumer purchasing power resulted in some downtrading to more affordable solutions. However, the shift back to using hair salons post pandemic also lowered demand for hair care products. Many Danes had delayed having haircuts and treatments during the pandemic, so there was significant pent-up demand. Salon pr...
