Report description:

Hair care in Georgia registered moderate constant value and volume growth in 2023. However, the offering remained basic, with standard shampoo being the most popular product and little demand for products such as serums or styling agents. Hair colourants are also popular, as Georgia women prefer to dye grey hair and many opt for a cheaper home treatment than visiting a hair salon. Though standard shampoo accounted for most volume sales, salon professional hair care registered the highest current...
