Report description:

Since the arrival of the COVID-19 pandemic, there has been a significant trend towards men in Ecuador wearing beards, which has had a negative impact on demand for men's razors and blades as the clean shaven look is no longer considered essential. However, rather than wearing shaggy, unkempt beards, local men are interested in having well-groomed and neatly trimmed beards and this has boosted sales of a variety of products across men's pre-shave and men's post-shave, including balms and beard oil...
