- Multiple User License (Global) €2475.00

Report description:

Value sales of pet products in Thailand continue to rise, in line with the general adoption of different pets in the country. There is also a societal shift in Thailand, with an increasing number of local consumers choosing to remain single rather than start families. Instead, they are increasingly attracted to the idea of owning a pet for company, a trend particularly noticeable among younger generations. However, this inclination goes beyond mere pet ownership; pets are now considered integral...

Euromonitor International's Pet Products in Thailand report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
